**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Dear Sir:

In response to the Notice of Allowance and Fee(s) Due, dated October 29, 2004, Applicant makes the following remarks.

In the "Detailed Action" of the subject Notice of Allowance, the examiner states that Applicant's July 23, 2004 response consisted of "amending claim 2, submission of new Oath/Declaration and remarks related to rejection of claims." Applicant did not submit a new Oath/Declaration with the response of July 23, 2004. Instead, Applicant provided arguments detailing why the Oath/Declaration submitted with the original filing of the application was not defective. Thus, Applicant asserts that a new Oath/Declaration is not required, the original Oath Declaration is satisfactory, and that all objections to the Oath/Declaration have been overcome.

Applicant believes that no additional fees are necessary, however, the Commissioner is authorized to charge Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds for any additional fees or credit the account for any overpayment.

Respectfully submitted,
